

COVID-19

New Zealand Government

Testing permitted workers crossing alert level boundaries

To safeguard areas of New Zealand at lower alert levels, and to ensure COVID-19 is contained - surveillance testing of permitted workers crossing the alert level boundary is going to be implemented immediately.

Checklist

Understand my obligations

Collect business travel documents

Confirm a test is arranged

Complete a test (at least 7 days) before boundary travel

Have proof of ID, proof of test and proof of business travel
